**ADvanced MAufacturing TranS4MErs**

# ADMA TranS4MErs in practice

# 02

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101037866

## What we provide

- We assess the SME's digital maturity.  
*SCAN*
- The TranS4MEr works with SMEs to help them their business needs and create a personalised digital transformation plan .  
*DESIGN*
- We fund SMEs to access services to help them to digitally transform.  
*REVAMP*
- We are a pan-European network of like-minded industry professionals  
*xCHANGE PLATFORM*

## Your role as a TranS4MEr

- You will be the **trusted guide** of SMEs in their transformation journey
- You will support SMEs to apply for the Design voucher.  
Quick process, 5-10 mins.
- You will help SMEs to create their **Transformation Plan** during Design Phase.

The Design Voucher will cover **8 hours of your time** to develop the Transformation Plan with them.

Introducing the  
**ADvanced MANufacturing TranS4MErs**

**Why should  
you join us?**

**03**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101037866

## Why should you join us?

- **TranS4MErs** are people like you, who are agents for change. Working closely with SMEs to understand their needs and to help them identify where digitalisation can support their business goals
- You'll become part of an **international network** of like-minded industry professionals (TranS4MErs)
- You'll be an early adopter of the **ADMA TranS4MErs xChange Platform**. Based on your feedback, we can shape it to **assist to your everyday operations** better.
- You'll be able to reach SMEs across borders in a **trusted environment** and **scale** your collaborations **internationally**.
- You'll become a central part of the **advanced manufacturing community** of tomorrow.
